AMERICAN KENNEL CLUB CERTIFICATION

Permission has been granted for this event under AKC rules and regulations
James P. Crowley, Secretary

OFFICIAL STANDARD OF THE AFGHAN HOUND

GENERAL APPEARANCE: The Afghan Hound is an aristocrat, his whole appearance one of dignity and aloofness with no trace of plainness or coarseness. He has a straight front, proudly carried head, eyes gazing into the distance as if in memory of ages past. The striking characteristics of the breed "exotic" or "eastern" expression, long, silky topknot, peculiar coat pattern, very prominent hipbones, large feet, and the impression of a somewhat exaggerated bend in the stifle due to profuse trousering, stand out clearly, giving the Afghan Hound the appearance of what he is, a king of dogs, that has held true to the tradition throughout the ages.

HEAD: The head is of good length, showing much refinement, the skull evenly balanced with the foreface. There is a slight prominence of the nasal bone structure causing slightly Roman appearance, the center line running up over the foreface with little or no stop, falling away in front of the eyes so there is an absolutely clear outlook with no interference, the underjaw showing great strength, the jaws long and punishing, the mouth level, meaning the teeth from the upper jaw and the lower jaw match evenly, neither overshot or undershot. This is a difficult mouth to breed. A scissor bite, where the lower teeth slip inside and rest against the teeth of the upper jaw should not be penalized. The occipital bone is prominent. The head is surmounted by a topknot of long, silky hair. The ears are long, set approximately on level with outer corners of the eyes, and the leather of the ear reaching nearly to the end of the dog's nose, and covered with long silky hair. The eyes are almond-shaped (almost triangular), never full or bulgy, and are dark in color. The nose is of good size, black in color. **FAULTS:** Coarseness, snipiness, overshot or undershot, eyes round or bulgy or light in color, exaggerated Roman nose, head not surmounted with topknot.

NECK: The neck is of good length, strong and arched, running in a curve to the shoulders which are long and sloping and well laid back. **FAULTS:** Neck too short or too thick, a ewe neck, a goose neck, a neck lacking in substance.

BODY: The backbone appearing practically level from the shoulders to the loin. Strong and powerful loin and slightly arched, falling away towards the stern, with the hip bones very pronounced, well ribbed and tucked up in the flanks. The height at the shoulders equals the distance from the chest to the buttocks, the brisket well let down and of medium width. **FAULTS:** Roach or sway back or goose rump, slack loin, lack of prominence of hip bones, too much width of brisket, causing interference with elbows.

TAIL: Tail set not too high on the body, having a ring or curve on the end, should never be curled over or rest on the back, or carried sideways and should never be bushy.

Legs: Forelegs are straight and strong with great length between elbow and pastern, elbows well held in, forefeet large in both length and width, toes well arched, feet covered with long thick hair, fine in texture, pasterns long and straight, pads of feet unusually large and well down to the ground.

SHOULDERS: Have plenty of angulation so that the legs are well set underneath the dog. Too much straightness of the shoulder causes the dog to break down in the pasterns, and this is a serious fault. All four feet of the Afghan Hound are in line with the body turning neither in or out. The hind feet are broad and of good length, the toes arched and covered with long, thick hair. Hindquarters powerful and well muscled, with great length between hip and hock. Hocks are well let down, good angulation of both stifle and hock, slightly bowed from hock to crouch. **FAULTS:** Front or back feet thrown outward or inward, pads of the feet not thick enough, or feet too small, or any other evidence of weakness in feet, weak or broken down pasterns, too straight in the stifle, too long in the hock.

COAT: Hindquarters, flanks, ribs, forequarters and legs well covered with thick, silky hair, very fine in texture, ears and all four feet well feathered, from in front of the shoulders and also backwards from along the saddle from the flanks and ribs upwards, the hair is short and close, forming a smooth back in mature dogs. This is a traditional characteristic of the Afghan Hound. The Afghan Hound is shown in its natural state, the coat is not clipped or trimmed, the head is surmounted (in the full sense of the word), with a topknot of long, silky hair which is also an outstanding characteristic of the Afghan Hound. Showing of short hair on cuffs on either front or back legs is permissible. **FAULTS:** Lack of short haired saddle on mature dogs.

HEIGHT: Dogs, 27 inches, plus or minus one inch; bitches, 25 inches, plus or minus one inch.

WEIGHT: Dogs about 60 pounds; bitches about 50 pounds.

COLOR: All colors are permissible, but color or color combinations are pleasing, white markings, especially on the head are undesirable.

GAIT: When running free, the Afghan Hound moves at a gallop, showing great elasticity and spring in his smooth, powerful stride. When on a loose lead, the Afghan can trot at a fast pace, stepping along, he has the appearance of placing the hind feet directly in the footprints of the front feet, both thrown straight ahead moving with head and tail high, the whole appearance of the Afghan Hound is one of great style and beauty.

TEMPERAMENT: Aloof and dignified, yet gay. **FAULTS:** Sharpness or shyness.

MR. RAMON PODESTA

INTERNATIONAL ALL BREED FCI JUDGE

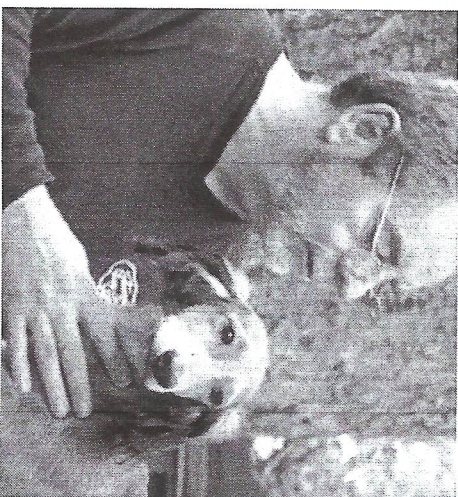

Mr. Podesta's primary breed involvement has been Berman Shepherds. Since 1966 the time he established the Haussman Kennel name, he has owned or bred many of the top winning and number one dog not only in his native country of Chile but in many other countries around the world.

From the very first time he saw an Afghan Hound in a dog show, he fell in with the breed and in 1969 bought one. From that time on, he has gathered some of the top bloodlines in the world to establish his Haussman Afghan Kennel. He has been the breeder, owner or handler of over 60 Afghan champions including Chilean, Argentinean, Brazilian, American, International and World Champions. His Kennel name became further prominent when one of his Afghans was a winner at the Afghan Hound Club of America National Championship.

Mr. Podesta has bred the number one hound in Argentina and Brazil. In Chile, he has done that for more than 30 years. Of importance to note, for the last twelve years his Afghans have been the most successful breed in the entire country, amongst all breed competition. Several times, his Afghans have been number one in all breed competition in his country.

Ramon has served as Director of the Kennel Club of Chile from 1969 including President various times. He has been a member of the Scientific Committee of the Federation of Cinologica International (FCI) for twelve years.

His judging career has unfolded with great success that made him an all breed judge since 1978. His first assignment in the USA was in 1983. During his judging career he has judged in all of the Latino American countries as well as in the USA, Canada, Spain, Portugal, Italy, Israel, Sweden, Finland, Denmark, Norway, Russia, Austria, Slovakia, England, Australia, New Zealand, South Africa, Thailand, India and Japan. He has had the honor of being invited to judge at the World Dog Shows on numerous occasions.

Mr. GARY PARKS—SWEEPSTAKES

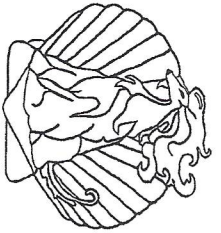

All my life I have enjoyed the life-long companionship of dogs, pure-bred as well as mixed. I acquired my first Afghan, Kabul, in 1971 and while shopping with Kabul at a pet store in Williamsburg, Va. met Ed Gilbert's daughter, Charlotte. Through Charlotte, I acquired another Afghan and began exhibiting and was immediately hooked on the fun of shows. My Afghans were mainly out of the Scheherazade line and I did import an Afghan from Helen Furber in Australia. Ch. Summer Haze of Scheherazade was our foundation bitch; she was bred to Ch Khayam's Last Tango. Through show acquaintances I became involved with Salukis in 1978 and since the passing of my last Afghan in 1997 I have remained in Salukis. My Salukis are predominately Jen Araby and I have bred and handled Salukis to Best in Show, Multiple Specialty Best in Shows, Specialty Best in Sweepstakes winners, Specialty winning bitches and dogs, group winners and dual champions. I was the recipient of the American Saluki Association 2005 awards for Breeder of the Year, Stud Dog Owner of the Year and Brood Bitch Owner of the Year. Most importantly my Afghans and Salukis have always been beloved companions.

I have been honored to judge several Afghan sweepstakes over the years as well as several Saluki Specialty Sweepstakes and numerous all breed match events. Afghans continue to fascinate me in every way, including their elegant type, powerful movement and distinct personalities. When judging I look for dogs that exhibit those traits. I believe that dogs should be sound and cover ground easily when moving. On the stack, I want to see a balanced dog with parts fitting together smoothly.

I am retired from Anheuser Busch and live with my wife Trudy, of 36 years, and our beloved Salukis.

Afghans will always have a special place in my heart. Thank you for the opportunity to judge Sweepstakes.

Dogs have been part of my life since childhood.

I have bred Afghan Hounds and more recently Greyhounds under the kennel name "Karkat" and have been licensed to judge since 1982, judging the FCI Group 10 which includes Sighthounds since 2004. I've enjoyed judging assignments in most of the European countries including Switzerland, Germany, France, Italy, Austria, Netherlands, Belgium, Sweden, Denmark, Finland and Norway as well as in Australia and the United States.

I am proud to have bred more than 150 Afghan Hound champion titleists including many top breed, top sighthound and the number one all breeds in Switzerland.

In addition, my Greyhounds all currently top winning and top titled dogs in the country.

I am pleased and honored to judge your Specialty Show.

HARRY STILES—SWEEPSTAKES

H. Russell (Russ) Hastings

My wife Barb and I started Overlook Afghans in 1975 when we acquired our first Afghan. We didn't show much because we were busy raising our two children but we were hooked on the breed. In 1984, after doing our homework, we purchased our foundation stud dog, Jolterara's Play it Again, "Bogie", a Persia's Jake Logan son and a few years later our foundation bitch Renwick's Paper Moon, "Tatum", a Pepsi Granddaughter. We have bred and finished Champions in both the US and Canada. Over the years our limited breeding program has been an attempt to preserve and improve the breed. We are active in the Elmira Kennel Club, the Finger Lakes Afghan Hound Club, and the Afghan Hound Club of America where we are the National Rescue Chairs.

I started judging Specialty and all breed matches several years ago and found the challenge to be equal to, if not greater than, breeding and showing. We have a wonderful breed that is described by a skillfully written standard that has stood the test of time. I believe the duty of protecting the conformance of our breed to its standard falls as much to the judges as to the breeders and exhibitors. I thank the Richmond Afghan Hound Club for the honor of judging their Specialty and every exhibitor for the privilege of judging your dog.

Darlene Anderson—Sweepstakes

First of all I would like to take this opportunity to say thank you for having me Judge your sweeps, this is such an honor to be asked by yourpeers. I come under the Prefix "KULANA". I have been in Afghans for approximately 38 years and have Bred or co-bred 43 Champions with the 44th almost finished. I have Bred many that have gone on to be National Specialty winners and many Specialty winners and All Breed BIS winners, Top Brood Bitches such as our Multiple Group Winning H.Kulana's Victory Express who has produced these winners and her daughter Ch.Tifarah's Arcana Sister Act (Whoopi) who also followed in her mothers footsteps as a Top Producer herself. I am currently involved with my newest Breed the Chinese Crested of 9 years.
