CANINE PERFORMANCE

Activity, such as performance in the show ring, on field trial, on sentry, even playing in the yard, requires increased energy.

SCIENCE DIET® Performance delivers that energy in the new high energy, nutritionally balanced diet made especially for the active dog.

And it delivers it everyday. Unlike normal commercial dog foods, the highly palatable formula does not change from batch to batch. The ingredients remain constant to provide the high calories, high digestibility and low stool volume that make performance the ideal food for active dogs.

SCIENCE DIET Performance. The name fits.

SCIENCE DIET Performance is available in 25 lb. bags from leading pet shops, kennels and your veterinarian.

Silhouette Hounds
afghans and salukis

Pat & Chris Abraham

THE POTOMAC AFGHAN HOUND CLUB INC.

The Potomac Afghan Hound Club is the oldest afghan hound club on the East coast. Our first Speciality show was held in 1950, and past Best of Breed winners have included such Afghans as Ch. Shirkhan of Grandeur, Ch. Hoday Hill Desert Wind, and Ch. Pandora of Stormhill.

The Potomac Afghan Hound Club of today continues to serve the Afghan fancy. Activities of the past year have included our very successful 1980 Speciality Show, a sighthound symposium, winter and summer matches, and a continuing series of handling classes.

We invite you to join us. For more information on club membership or activities, please contact:

Secretary - Marlene Allison 703 777-8247
Membership Chairman - Keith Kelley 301 663-1474
