Welcome

This specialty weekend-hosted by three afghan hound specialty clubs-is a rare treat. It is with a great deal of pride that we the combined membership of the Potomac Afghan Hound Club, the Tidewater Afghan Club and the Richmond Afghan Hound Club present the 2001 combined specialty weekend. It is indeed rare to have three consecutive specialties and six exceptional judges in a short, three-day period. We sincerely welcome you to this venue and trust that your stay will be enjoyable and successful

We extend special appreciation to our panel of judges: Donna Bronech (PAHC regular classes) and Michael Strockline (PAHC Sweepstakes), Sandy Fret (TAHC regular classes) and Billie Hill-Taylor (TAHC Sweepstakes), and Bonnie Weaver (RAHC regular classes) and David Osuna (RAHC Sweepstakes)

As always, you, the exhibitors and your afghan hounds make such events a success. We thank you for your support. We sincerely hope that you enjoy your stay here in the historic Norfolk area. Good luck! We also thank you the family, friends, and just spectators who have come to view the breath taking beauty of the Afghan Hound. Please enjoy the days and the dogs.

Official Standard of the Afghan Hound

General Appearance—The Afghan Hound is an aristocrat, his whole appearance one of dignity and aloofness with no trace of plainness or coarseness. He has a straight front, proudly carried head, eyes gazing into the distance as if in memory of ages past. The striking characteristics of the breed—exotic, or "Eastern", expression, long silky topknot, peculiar coat pattern, very prominent hipbones, large feet, and the impression of a somewhat exaggerated bend in the stifle due to profuse trousersings—stand out clearly, giving the Afghan Hound the appearance of what he is, a king of dogs, that has held true to tradition throughout the ages.

Head—The head is a good length, showing much refinement, the skull evenly balanced with the fore face. There is a slight prominence of the nasal bone structure causing a slightly Roman appearance, the center line running up over the fore face with little or no stop, falling away in front of the eyes so there is an absolutely clear outlook with no interference; the under jaw showing great strength, the jaws long and punishing; the mouth level, meaning that the teeth from the upper jaw and lower jaw match evenly, neither overshot nor undershot. This is a difficult mouth to breed. A scissors bite, where the lower teeth slip inside and rest against the teeth of the upper jaw, should not be penalized. The occipital bone is very prominent. The head is surmounted by a topknot of long silky hair. **Ears**—The ears are long, set approximately on level with the outer corners of the eyes, the leather of the ear reaching nearly to the end of the dog's nose, and covered with long silky hair. **Eyes**—The eyes are almond-shaped (almost triangular), never full or bulgy, and are dark in color. **Nose**—Nose is of good size, black in color. **Faults**—Coarseness, snappiness, overshot or undershot; eyes round or bulgy or light in color; exaggerated Roman nose; head not surmounted with topknot.

Neck—The neck is of good length, strong and arched, running in a curve to the shoulders which are long and sloping and well laid back. **Faults**—Neck too short or too thick; a ewe neck; a goose neck; a neck lacking in substance.

Body—The back line appearing practically level from the shoulders to the loin. Strong and powerful loin and slightly arched, falling away toward the stern, with the hipbones very pronounced; well ribbed and tucked up in the flanks. The height at the shoulders equals the distance from the chest to the buttocks; the brisket well let down, and of medium width. **Faults**—Roach back, swayback, goose rump, slack loin, lack of prominence of hipbones; too much width of brisket, causing interference with elbows.

Tail—Tail set not too high on the body, having a ring, or a curve on the end; should never be curled over, or rest on the back, or be carried sideways; and should never be bushy.

Legs—Forelegs are straight and strong with great length between elbow and pastern; elbows well held in; forefeet large in both length and width; toes well arched, feet covered with long thick hair, fine in texture; pasterns long and straight; pads of feet mutually large and well down on the ground. Shoulders have plenty of angulation so that the legs are well set underneath the dog. Too much straightness of shoulder causes the dog to break down in the pasterns, and this is a serious fault. All four feet of the Afghan Hound are in line with the body, turning neither in nor out. The hind feet are broad and of good length; the toes arched, and covered with long thick hair; hindquarters powerful and well muscled, with great length between hip and hock; hocks are well let down, good angulation of both

stifle and hock, slightly bowed from hock to crotch. **Faults**—Front or back feet thrown outward or inward; pads of feet not thick enough; or feet too small; or any other evidence of weakness in feet; weak or broken-down pasterns; too straight in stifle; too long in hock.

Coat—Hindquarters, flanks, ribs, forequarters, and legs well covered with thick, silky hair, very fine in texture; ears and all four feet well feathered; from in front of the shoulders and also backwards from the shoulders along the saddle from the flanks and the ribs upward, the hair is short and close, forming a smooth back in mature dogs—this is a traditional characteristic of the Afghan Hound. The Afghan Hound should be shown in its natural state; the coat is not clipped or trimmed; the head is surmounted (in the full sense of the word) with a topknot of long silky hair—that is also an outstanding characteristic of the Afghan Hound. Showing of short hair on cuffs on either front or back legs is permissible. **Fault**—Lack of short-haired saddle in mature dogs.

Height—Dogs, 27 inches, plus or minus one inch; bitches, 25 inches, plus or minus one inch.

Weight—Dogs, about 60 pounds; bitches, about 50 pounds.

Color—All colors are permissible, but color or color combinations are pleasing; white markings, especially on the head, are undesirable.

Gait—When running free, the Afghan Hound moves at a gallop, showing great elasticity and spring in his smooth, powerful stride. When on a loose lead, the Afghan can trot at a fast pace; stepping along, he has the appearance of placing the hind feet directly in the foot prints of the front feet, both thrown straight ahead. Moving with head and tail high, the whole appearance of the Afghan Hound is one of great style and beauty.

Temperament—Aloof and dignified, yet gay. **Faults**—Sharpness or slyness.

Meet our Sweepstakes Judge
Mr. Michael Strockbine

I began my life in the world of dogs with Scottish Terriers as a teenager. I obtained my first Afghan Hound in college, from a midwestern kennel of dubious repute, but with a beautiful "old Mecca" pedigree. Pure luck.

The focus of my efforts since have been the Akaba lines, first through the Kabik dogs of the seventies, and then with the Coastwind lines. It is my fortune to have developed a wonderful relationship with Judy Bloom and her Jubilan Affghans. We have enjoyed great success and had a lot of fun along the way. Most recently, we have started a young Greyhound on her Specials career. There is a lot to be said for low maintenance!

Thank you for inviting me to judge your 2001 Sweepstakes.

Ms. Donna Broucek

Kashara Afghans

My involvement in the Afghan Hound, like so many others, started with the acquisition of a pet in 1975. My earliest years were spent learning! Learning how to groom, learning how to handle, and learning what to and "not" to do with our wonderful, yet unique, breed.

Kashara was created several years later and has produced nearly 50 American champions to date. They include Best In Show  Specially Bred In Show winners in the U.S., Europe and Australia, and two litters who finished with National Specially Majors. The Kashara prefix is not only limited to the Afghan Hound, but can also be found on several Doberman Pinschers—a breed that also plays a significant role in my life.

In 1995 I was granted the privilege to judge Afghan Hounds, and in 1998, I added Salukis to my license. Since then I have had the honor to judge at All Breed, International, National or Specialty events in Canada, Germany, Finland, Scotland, Australia and all regions of the U.S. In the near future, I plan to expand my license to include Whippets and Rhodesian Ridgebacks. For me, judging will always be the highest honor of our sport. Thank you for bestowing this honor on me today.

Meet our Sweepstakes Judge Ms. Billie Hill-Taylor Karzaks Sephira Afghan Hounds

In Golden Gate Park in 1969 I saw my first Afghan Hound. It was love at first sight and I received my first Afghan as an engagement present in 1971. Having always been a cat lover the Afghan puppy seemed like a perfect fit. Playful, mischievous, and totally independent....never to be truly owned by anyone!

I was very eager to learn about this mysterious animal....what set it apart from all the other dogs? At the time I lived in Austin, Texas and my neighbors were Wally and Kay Pede...stroke of luck for me!! I became the faithful apprentice and from there developed my own ideas of the Afghan Hound. Moving to Houston in the mid seventies I began refining my taste in Afghans and purchased an incredible dog from Gerda Kennedy, *Shangrila Pharaoh Rontaro*, one of the most beautiful Afghans I have ever seen. I was unable to show this dog and he was replaced with my beloved *Ch. Shangrila Pharaoh Sarullah*, a cream colored dog whose nose looked as if it had been dipped in black ink with long black mandarin. He was a gorgeous animal, and formed the basis of my breeding program. The first bitch that was bred to him was *Ch Coastwind Fair Forecast*, a sister to Nepenthe. With that litter I was hooked on the dog show thing.

In 1979 I joined forces with Tim Taylor, of Karzaks Afghan Hounds, whose dogs also came from the Akaba and Coastwind lines. The new combination of Karzaks Sephira produced many outstanding Champions and Champion producing Afghans such as *Ch Karzaks Sephira In Cahoots* and *Ch Karzaks Sephira Widowmaker*. This partnership also led to the development and production of the *Afghan Preview*, a trend-setting monthly publication for Afghan breeders that collated information on preferences of individual Afghan Hound judges, as well as providing timely information on the Afghan show scene. The final outcome of this collaboration was the marriage of Tim and Billie in 1982, three children and the eventual wind-down of Karzaks Sephira breeding activities in the early 1990's.

Currently I am involved in working with groups of women in a process called Council and I am head of the Council program, which I started, at the local middle school. Tim is busy as CEO and President of an internet business. Built-e, they have just launched their first site by the same name. Rudd, our son, is 15 and a sophomore in high school. Our daughter Lake is in 8th grade. We moved to the West coast in 1994 and have grown to love residing on Bainbridge Island, which is in Puget Sound just west of downtown Seattle. Our only dog is our recent Ch Cottonwoods Rover Red Rover, a whippet

Ms. Sandy Frei

Stormhill

Sandy was born into the dog show world, and teamed with her mother, Virginia Withington, in the late 60s to make Stormhill one of the top Afghan kennels in the world.

As a handler, Sandy showed *CH Stormhill's Who's Zoomin Who* to number one Afghan in 1989, retiring her as the top-winning Afghan bitch of all time. She also handled two national specialty winners-*CH Panjhet of Stormhill* (1975) and *CH Calais Sunrise at Stormhill* (1999) and numerous other dogs of hers and her mother's breeding to Specialty, Group and Best-in-Show wins.

Sandy has been licensed by the AKC since 1981 to judge Afghan Hounds and, in 1997, received regular status to judge Whippets and Junior Showmanship. She has achieved the rare accomplishment of handling two, homebred, AHCA National Specialty BIS winners and judging Best-in-Show at the National (1986). Aside from judging many Afghan specialties and at prestigious all-breed shows in the United States, she has also had the privilege of judging in many different countries around the world-Australia, Denmark, Norway, Sweden, Finland, Italy and Canada. In 1998, she had the honor of judging Afghan Hounds and Whippets at the prestigious Westminster Kennel Club show.

Today, she keeps busy with breeding, exhibiting, judging, rescue work for the Evergreen AHC and projects for other clubs of which she is a member.

Sandy is a member of the Evergreen Afghan Hound Club, Afghan Hound Club of California, Afghan Hound Club of America, Seattle Kennel Club, Morris & Essex Kennel Club, Western Washington Hound Association and Judges Education Association of Washington.

Meet our Sweepstakes Judge

Mr. David Osuna

Andros Afghans

I used to be the classic kid that would bring all kinds of critters home, and then in high school, a class mate introduced me to the show world. My first breed was Boxers, and then I went through Old English Sheep Dogs, Vizlas, Siberian Huskies, and finally settled for Afghans in 1978.

I finished several champions in my native country of Mexico. In 1982, I came to the USA to work and learn commercial pet grooming and show-kennel management. After two and one-half years I went back to Mexico and started showing professionally in 1984 and I also opened a grooming and pet supplies shop. I showed dogs of all breeds to top awards during this time, including the well known *Ch. Regency* (who won the AHCA in 1996), and my current special, *Ch. Andros Conquistador* (specialty and group winner and, just recently, Award of Merit recipient at the AHCA).

I keep a limited number of my own dogs. I also breed on a very limited basis, due to my commitment to show clients' dogs. I have judged several specialty sweepstakes, and all breed matches. I always look forward to and cherish opportunities like this.

Thanks, David Osuna.

Meet Our Regular Classes Judge

Ms. Bonnie Visser

Abashagh Afghans

Along with my daughter, Claudia, I established Abashagh Afghans in 1962. Our first Afghan was Benihaar Autumn Heather, the dam of top producer CH. Sasha of Scheherezade in her only litter. We were not a large scale kennel, but have bred some dogs that have left a mark in the Afghan world.

Some of our winning dogs are BIS CH. Abashagh's Mr. Tambourine Man; multi BIS CH. Abashagh's Antares of Dayspring; SBIS CH. Abashagh Mahabharata, the sire of CH. Persia's Jake Logan, the top dog in Canada in 1982 (and still the top producing Afghan in Canada), and the top producing CH. Persia's Sandrift.

Although we haven't had a litter in over 14 years, we still own & exhibit Afghans and I now have a PBGV
